

## Swing to Ralston Raises Senator's Total to 196; Smith Wets Oppose Him

Battle Now Hottest Develop-  
ing Shift Along Wet and  
Dry Lines.

### M'ADOO CLOSE 300 MARK

At Conference of Managers Question  
That He Withdraw in Decision in the  
Negative on Belief That Fight  
Is to Continue With Smith Forces.

By United Press  
BULLETIN.

NEW YORK, July 8.—Six more bal-  
lots, bringing the total to 36, and the  
Democratic National Convention still  
is without a presidential nominee.  
With the deadlock still complete the  
convention recessed shortly before 2  
o'clock this afternoon until 9 o'clock  
this evening when another effort will  
be made to select the standard bearer.  
Heads of delegations are now lo-  
cated in the hall. The candidates, notably  
William G. McAdoo and Governor  
Smith, are adamant, but some of the  
McAdoo leaders are not so firm as  
their chief, and national commit-  
men and state leaders who have cam-  
paigns to conduct back home this fall  
have just about reached the end of  
their string. They are demanding a  
nomination or steps that will make a  
nomination possible. With this situa-  
tion in mind leaders will gather dur-  
ing the afternoon and early evening in  
efforts to agree.

MADISON SQUARE GARDEN, New  
York, July 8.—The drive for Senator  
Samuel M. Ralston as the Democratic  
nominee for President gained force  
today. With Missouri, Nevada, Okla-  
homa and Kansas swinging into line  
for him the senator's total vote was  
raised to 187 1/2, the highest vote that  
has been given any dark horse.  
Governor Smith slipped out of the  
300 class to 254 1/2 on the 36th ballot,  
while William G. McAdoo was over  
the 300 mark by only 14.  
Ralston rose to a new high of 187 1/2  
as the drive continued through the  
31st ballot, when Kansas swung to  
him. McAdoo and Smith votes were  
virtually unchanged on this ballot.

The Ralston drive was meeting  
with stiff resistance on the part of the  
Smith followers.  
It is now developing into a wet and  
dry fight. The wet element is led  
by Ralston. Pat Harrison has tried  
Pennsylvania and Massachusetts for  
some votes but so far has been un-  
successful in running a single one  
from those delegations.

At a meeting of McAdoo state man-  
agers with the candidate this morning  
the question of the Californian's with-  
draw was discussed. The entire field  
was canvassed, it was said. The state  
leaders declared it was a Smith-Mc-  
Adoo fight and there would be no  
solution through concentrating on  
some one else. They then decided  
it is undesirable to make a fight dur-  
ing the day for nomination of the two-  
thirds rule.

85th ballot—Smith, 358; McAdoo,  
316 1/2; John W. Davis, 59 1/2; Un-  
derwood, 39; Ralston, 98; Glass,  
68 1/2; Robinson, 21; Ritchie, 22 1/2;  
Saulsbury, 6; Walsh, 5; Owen, 20;  
Meredith, 26; Governor Bryan, 20;  
Bryan, 9; Daniels, 23; Roosevelt, 1.  
86th ballot—Smith, 357 1/2; Mc-  
Adoo, 313 1/2; John W. Davis, 61 1/2;  
Underwood, 41; Ralston, 101 1/2;  
Glass, 68 1/2; Robinson, 20; Ritchie,  
22 1/2; Saulsbury, 6; Walsh, 5; Owen,

Bryan, 9; Daniels, 23; Roosevelt, 1.

86th ballot—Smith, 354 1/2; Mc-  
Adoo, 316; John W. Davis, 61 1/2;  
Underwood, 42 1/2; Ralston, 103 1/2;  
Glass, 68 1/2; Robinson, 20; Ritchie,  
22 1/2; Saulsbury, 6; Walsh, 5; Mer-  
edith, 26; Governor Bryan, 22; Gov-  
ernor Bryan, 15; Daniels, 19.  
87th ballot—Smith, 355 1/2; Mc-  
Adoo, 318; John W. Davis, 62 1/2;  
Underwood, 43 1/2; Ralston, 105 1/2;  
Glass, 69 1/2; Robinson, 20; Ritchie,

ernor Bryan, 16; Daniels, 20.  
88th ballot—Smith, 356 1/2; Mc-  
Adoo, 319; John W. Davis, 63 1/2;  
Underwood, 44 1/2; Ralston, 106 1/2;  
Glass, 70 1/2; Robinson, 20; Ritchie,  
24 1/2; Saulsbury, 6; Walsh, 5; Mer-  
edith, 27; Governor Bryan, 24; Gov-  
ernor Bryan, 17; Daniels, 21.

Benjamin G. Lammie, elec-  
trician, died at his home at East  
Liberty today after a lingering illness  
of several months. Mr. Lammie dur-  
ing his early days had been associat-  
ed with George Westinghouse, the in-  
ventor.

### CHILD TRICK TO FEED CHWING-GUM TO COFFINHEAD

A copperhead snake was discov-  
ered in the home of Mr. and Mrs.  
Arthur Gray of Vanderbik Heights  
Sunday afternoon, under a buffet,  
by the Gray children, Mary Blen-  
nor and Donald, who were playing  
in the room. Donald, five years  
old, ran out to tell his parents,  
while Mary Blenor, about two  
and one-half, tried to give chew-  
ing-gum to the snake. Mr. Gray  
killed the snake before it bit any-  
one. It measured two feet, eight  
inches long.

### DR. A. J. HELLER, REFORMED CHURCH FOUNDER, IS DEAD

Rev. Dr. A. J. Heller, 37 years and  
six months old, founder of Trinity  
Reformed Church of Connellsville  
and widely known in this community,  
died Saturday at the home of his  
son, Attorney Cecil E. Heller of  
Greensburg, from the infirmities of  
age.

Dr. Heller was ordained a minister  
in 1863 and prepared the way for the  
founding of the Connellsville Church  
under the board of missions. The  
organization of the church was ef-  
fected in old Odd Fellows Hall, East  
Crawford avenue, on January 23,  
1869, with 22 members, and on March  
5, 1899 Dr. Heller was installed as  
pastor, serving in that capacity until  
1908 when he retired from the min-  
istry.

Since then he had made his home  
with his son in Greensburg. He was  
pastor of the Berlin Church for a  
number of years. Besides his son he  
is survived by one brother,  
The body was taken to Berlin Mon-  
day morning where it lay in state in  
the Reformed Church during the  
morning. Funeral services were  
held in the afternoon, followed by in-  
terment in Berlin Cemetery. Rev.  
Wyant, pastor of the Reformed  
Church of Pittsburgh, officiated.

### New Member Sworn In by Scottdale School Board

SPECIAL TO THE COURIER.  
SCOTSDALE, July 8.—H. R. Graft,  
new member, was sworn in at a  
meeting of the school board last evening.  
Stanley Rowe was elected treasurer  
and the Scottdale Trust Company de-  
positary.  
Miss Genevieve Kurt of Hilltop was  
elected music supervisor. Miss Yoge-  
ter, a graduate of Grove City College,  
art supervisor.  
Joseph M. Steiner, collector of  
borough taxes, was chosen collector  
for the school district.  
The report of the census enu-  
merator showed 1,305 children for the  
next term of school.

### East Park Fill Is Made Garbage Dump

onto the fill under East Park bridge.

the pollutioners set forth.

### COUNCIL LETS CONTRACTS FOR PAVING STREETS

Improvement of Highland and  
Murphy Avenues Contingent  
on Sale of Bonds.

### BRICK WEARING SURFACE

Contracts for the paving with brick  
of Highland avenue and West Mur-  
phy avenue were awarded by Coun-  
cil Monday evening to M. Duggan,  
the contractor being contingent on the  
sale of bonds for financing the pro-  
jects. The cost of the two will be  
\$22,618.30, the low bid for Highland  
avenue being \$19,465.35 and that for  
Murphy avenue, \$13,472.95.  
Petitions for substitution of willite  
for brick for the wearing surface  
were withdrawn after it was ex-  
plained there would be slight differ-  
ence in the cost and that new ordi-  
nances must be introduced and ad-  
vances made if the change was to be made.  
It was found that the cost would  
have been \$30.10 less for willite for  
Highland avenue and \$58.20 less for  
Murphy avenue. P. J. Ridge, head  
of the willite company, urged that  
Council adhere to the ordinance,  
which specified brick.

The depression in business and in-  
dustrial has made it more difficult  
to dispose of bonds and there was no  
indication as to when the work will  
be undertaken.

Gravel being supplied by Fred Op-  
erman was accepted for use in  
street work when the need arises.  
The quality was pronounced excel-  
lent by City Engineer J. E. Hensel.  
It was sense of Council that a  
home product should be given the  
preference. Contractors have been  
using Allegheny River gravel.  
The sale of the street team and  
wagons to Francis & Hays for \$255  
was authorized. The motor truck  
was supplied to the horse drawn  
street wagon, which is seldom used.

### ROXIE LONG IN FAYETTE JAIL TO PROTECT LIFE

Roxie Long, W. A. Gilbert and Wil-  
liam R. Thompson, who have been  
serving sentences in the Western  
Penitentiary, were ordered removed  
to the Fayette county jail Monday by  
Judge H. H. Rowland of the Quarter  
Sessions Court. The men were re-  
moved to Fayette county jail by  
authorities from the penitentiary.

The men are said to have been  
threatened with death for giving in-  
formation that led to conviction of  
prisoners growing out of the killing  
of two guards at the Western Peni-  
tentiary last February during an at-  
tempt by a group of convicts to es-  
cape.

Long was captured in Europe and  
sentenced January 28, 1923, to not less  
than six nor more than 12 years from  
Allegheny county on charges of enter-  
ing a building and numerous offenses.  
W. A. Gilbert, sentenced March 15,  
1923, to two years and six months  
from Allegheny county, and William  
R. Thompson, sentenced from Potter  
county, to not less than two years  
and six months nor more than four  
years on a charge of larceny.

"The removal of Roxie Long and  
other prisoners who are being trans-  
ferred was decided upon by the board  
as a precautionary measure," Attorney  
James H. Gray, a member of the  
prison board, said in discussing the  
removal of the prisoners. "Ever since  
the trial of the prisoners charged  
with murder there have been threats  
made against some of these witnesses  
they feared for their life and so as to  
prevent any possible disorder the  
board decided to have the prisoners  
removed to another institution."

### STAR JUNCTION MINER INJURED BY SLATE FALL

badly lacerated left arm and a lacer-  
ation of the head received when he

Washington Coal & Coke Company  
at Star Junction.

Mrs. Alverda Richter of this city  
was admitted for treatment of an  
abscess of the left jaw, and Mrs.  
Filomena Noschese of East Cedar  
avenue for an operation which she  
will undergo tomorrow. Blair Hain-  
baugh of East Crawford avenue, a  
brakeman in the Baltimore & Ohio  
yards, is undergoing treatment for  
an injured knee suffered this morn-  
ing when he caught his foot between  
rails.

Jane Sadler of Connellsville under-  
went dental operations this morning.

## COOLIDGE IDEAS OF SIMPLICITY ARE TO PREVAIL IN FUNERAL

### Wednesday Half Holidays in City Begin Tomorrow

The Wednesday afternoon holiday  
rule in Connellsville, to continue dur-  
ing July and August, will become  
effective tomorrow. Nearly every as-  
sessment in the city will suspend  
at 12 o'clock. This rule applies to  
Wednesdays only. A merchant said  
there have been several inquiries as  
to whether every afternoon during  
July and August is to be a holiday.  
How such an impression was gained  
it is difficult to understand, he said.  
Other business men who have  
signed the closing agreement are the  
Aaron Company, E. G. Hall, Con-  
nellsville Machine & Car Supply  
Company and the E. B. Zimmerman  
Company. Previously the names of  
125 were published.

"In order to cooperate in the move-  
ment it is hoped that the people of  
the city and community will do their  
shopping early Wednesday, as stores  
will be closed promptly at 12  
o'clock," said one of the leaders in  
the holiday arrangement.  
Announcement was made this af-  
ternoon that all shoemakers will sus-  
pend Wednesday at noon.

the High School in Jefferson  
street, which is being paved. The  
board approved the paving of Ogden  
street. A petition was presented by  
the residents of Ogden street asking  
that the City Council pave that thoroughfare.

### No Public Mourning, No Sus- pension of Business, Order of President.

### WILL BE STRICTLY PRIVATE

By United Press.  
WASHINGTON, July 8.—Calvin  
Coolidge, Jr., who succumbed to sep-  
tic poisoning, will be buried from the  
Coolidge family home at Plymouth,  
Vt., according to plans tentatively  
approved by the President today.  
Plans as outlined call for private  
services in the East Room at the  
White House tomorrow afternoon,  
transportation of the body to  
Northampton by special train to-  
morrow night, services at the Coolidge  
home Thursday and interment there-  
after.

WASHINGTON, July 8.—The cur-  
tains are drawn in the East Room  
of the White House. The President's  
youngest son lies dead within. Bow-  
ed in grief at the loss of his boy, a  
tragedy such as has not visited the  
White House since Abraham Lin-  
coln's day, President and Mrs. Cool-  
idge remained alone in their sorrow.  
Plans for funeral services in Cal-  
vin Coolidge, Jr., who succumbed to  
septic poisoning shortly before mid-  
night, after a brave fight for life, were  
not announced. Only one word has  
come from the President thus far  
that the burial of his son must be  
made with all the simplicity possible  
and that it must be attended by only  
the family group and the family's  
closest friends.

Only those who stood by while the  
Nation's Chief Executive and his wife  
walked unaided and with haggard  
faces from the room at the Walter  
Reed Hospital, where Calvin died,  
saw their struggle for composure.  
Seeking the solitude of the White  
House to which the boy's body was  
taken, the Coolidges shut out a sym-  
pathizing world.

It was only a week ago that septic  
poisoning set in from a blister on  
Calvin's foot. There followed an un-  
parallel flight to save the boy's life  
in which the most important factor  
was the indomitable spirit the patient  
displayed, but without avail.  
It is 43 years since Ted Lincoln  
died in the arms of his father in the  
White House. Not since then has a  
President lost a son in death.

There was a hush over the executive  
mansion today. Servants and secret  
service men moved softly about, talk-  
ing only in whispers. The Coolidges  
were trying to show as little as pos-  
sible of their grief. From the very  
first they have felt that the loss of  
Calvin, Jr., was a family affair so it  
continued on Page Six

### Motorcycle for Scottdale Cops

SPECIAL TO THE COURIER.  
SCOTSDALE, July 8.—Town coun-  
cil last night authorized the purchase

ment.

cil to meet the property owners at

father started fire with gasoline, mis-  
taking it for oil. The child died Sat-  
urday.

## Groping in Dark Delegates Will Get Nowhere Until Leaders Reach Compromise

### MOTORISTS WILL BE ARRESTED FOR PASSING ON CURVES, KNUCKLES

Accidents at curves and on the  
brows of hills on the highways of the  
county within the past few days have  
caused members of the State Highway  
Patrol to declare war on those  
automobile drivers who persist in  
passing other machines at those dan-  
gerous points. This assertion was  
made by State Highway Patrolman A.  
J. Oldham who is in charge of the  
county station.

Patrolman Oldham declared that  
his force is determined to break up  
the practice along the National High-  
way and the other main traveled high-  
ways of the county and "stiff" fine  
those whom the motor patrol  
catches in the act. Patrolman Old-  
ham issued the warning last night  
and asserted that he and members of  
his detachment would start their cam-  
paign today and that no favor would  
be shown to those they caught.

Oldham called attention to the fact  
that it is a violation of the State  
Highway laws to pass other machines  
on curves or at the brow of a hill and  
hereafter any motorist caught doing  
this would be subject to arrest and a  
stiff fine. Patrolman Oldham declared  
that just because a machine is faster  
than others is no reason why the  
driver should attempt to pass the  
slower machine on a hill or curve and  
that those caught doing so would be  
the ones to suffer the full penalty of  
the law.

### 45 Enrolled in Christian Church Vacation School

Forty-five children were in attend-  
ance at the Daily Vacation Bible  
School at the Christian Church today,  
the second day, an increase of seven  
over Monday's enrollment. The school  
is under the supervision of Miss Mary  
O. Sheldrake of Albany, N. Y., region-  
al field worker for the United Christian  
Missionary Society, with Miss  
Ruth McKinnis of Stockton, Kan.,  
who was graduated this year from  
Bethany College, as her assistant.  
Miss Elmer Stimmel is acting as sec-  
retary and treasurer and is assisting  
in the music.

The daily program provides for  
Bible stories, songs, games and hand-  
work.  
The school will continue for four  
weeks and is open to all children,  
regardless of creed, between the  
ages of five and 12 years.

### Lornin Vited By Another Storm; Seven Are Injured

LOITAIN, Ohio, July 8.—Another  
terrible windstorm swept the devastat-  
ed district of Lorain last night, in-  
juring seven persons, blowing auto-  
mobiles from the roads and crumbling  
walls of buildings left standing after  
the tornado which struck the city 10  
days ago.  
Five persons were injured when the  
wind hurled an automobile against an  
iron pole. A partially wrecked wall  
of the People's Saving Bank toppled  
into Broadway and two were injured.

### 60th Convention of Elks Opens Session

BOSTON, July 8.—Addresses of  
welcome by Governor Cox, Senator  
David I. Walsh, Mayor Curley and  
Grand Exalted Ruler James G. Mc-  
Farland, of Watertown, S. D., marked  
the formal opening here last night of  
the 60th annual convention of the  
Benevolent and Protective Order of  
Elks, which will continue throughout  
the week.  
The fraternal salutation, "Hello,  
Bill," flashing of banners everywhere  
greeted the delegates. It was esti-  
mated that 12,000 grand lodge mem-  
bers and more than 50,000 other Elks  
had arrived for the convention. These  
numbers, officials in charge of registra-  
tion said, would be greatly aug-  
mented by Thursday, the day set for  
the annual parade.

To Plan for Picnic.  
Plans for the annual picnic to be  
held July 15 at Olympia Park will be  
discussed at special meetings of the  
Baltimore and Ohio Veterans Associa-  
tion and the Janette Layton Auxiliary  
to be held tonight at the Baltimore &  
Ohio Y. M. C. A. All members are re-  
quested to attend.

### Present Plan Is to Try Out Strength of the Dark Horses in Turn

### M'ADOO MORALE FAILING

Indicating He Will Not Be Able to  
Regain His Earlier Strength, But  
Candidate Himself Is Determined  
To Stick; Davis' Chances Brighter.

By DAVID LAWRENCE.  
(Copyright by The Daily Courier.)  
MADISON SQUARE GARDEN, NEW  
YORK, July 8.—Rudeness and with-  
out concerted action, the Democratic  
National Convention is drifting today  
in the hope that some process of men-  
tal telepathy will make 732 hearts  
beat as one and make a nomination.  
But the chances of a stamped-up  
selection have grown remote. Four-  
score ballots have taken the motion  
as well as the element of surprise out  
of the 1,083 delegates and the old  
fashioned idea of starting a "drive"  
without prearranged agreement is  
proving futile.

The early balloting today showed  
clearly that the delegates are groping  
in the dark and will not get anywhere  
until all the leaders sit down in a  
conference and after canvassing the  
situation reach an actual compromise  
agreement. There is, of course, a  
good deal of talk about secret  
choices. Some of the Smith men are  
feeling out McAdoo delegates on the  
subject of John W. Davis of West Vir-  
ginia. There seemed to be also a  
tendency to throw votes to Senator  
Ralston of Indiana whose drive started  
late yesterday and continued slug-  
gishly today. It probably will not  
succeed as Ralston does not as yet  
captivate the imagination of the de-  
legates.

After Ralston has had his fling, the  
plan is to try out Senator Robinson  
of Arkansas and possibly Senator  
Underwood of Alabama. Most of the  
strength of Senator Carter Glass is in  
the McAdoo camp where just at pre-  
sent the disposition is not to start com-  
promise drives but to stand pat.  
The balloting, however, is having a  
significant effect. The morale of the  
McAdoo forces is diminishing at the  
same time it is becoming apparent to  
the Smith managers that they cannot  
go much higher than their present  
totals. They have some reserve  
strength and believe that when the  
McAdoo delegates are distributed over  
a wide field of favorite sons, the only  
cohesive block left in the convention  
will be that of Governor Smith and  
that persistence alone will win out in  
the end.

Today's balloting will probably  
force the selection of a compromise.  
Hitherto the McAdoo men have not  
been ready to confer on the subject  
though the Smith leaders have been  
so inclined. If McAdoo should be un-  
able to regain his earlier strength—it  
is doubtful now whether he will go  
much over 400 again—the end of the  
convention may then be expected.  
All that has really been decided thus  
far is that there is a conviction that  
some method—either by the abrogation  
of the two-thirds rule or a last  
minute conversion of the favorite  
sons—the McAdoo forces would be  
victorious. There is evidence that the  
Smith people began to realize the  
hopelessness of their case several  
days ago.

The determination of McAdoo at  
present is to stick, refusing to enter  
a compromise conference or releasing  
his delegates. It would then require  
a coalition of all the favorite sons  
delegations and the Smith people to  
bring about a nomination. Since the  
McAdoo strength slumped to a point  
well below one-third, the nominating  
power may now be said to be lodged  
in the hands of the remaining candi-  
dates. Efforts to get them together  
are proceeding. Members of the  
Senate and House are active in the  
negotiations and something tangible  
may be worked out before tonight.

At the moment John W. Davis  
chances seem brighter than ever.  
William Jennings Bryan alone has  
voted the selection but his strength  
was in the McAdoo camp and if Mc-  
Adoo drops in a low total, the ten-  
dency will be to desert Bryan. There  
is also no love lost in the Smith camp  
for Bryan and if Bryan alone stood  
between the Smith forces and a nomi-  
nation he would be overruled.  
It is doubtful whether Ralston can  
ultimately win the Smith vote for  
while he has repeatedly denied that  
he is in any way connected with the  
Ku Klux Klan, his opponents here  
have managed to tag him with that  
label.

### Double Peril for The Bootleggers

By Charles Brown  
PHILADELPHIA, July 8.—Bootleggers now have a great difficulty in dealing prohibition agents and police but they cannot escape for still greater trouble for they may soon be prosecuted under the Pure Food and Drug Act. If the various wares they peddle don't conform to the law.

The Pennsylvania Pharmaceutical Association has announced that while it and thereby will appear in the next Pharmacopoeia, which is called "The legal standard-bearer of medicine."

"It will offer the only assurance of 'real stuff' if the prescriber and pharmacist then they do to the prohibition statutes," the Association announced.

"Indeed," the bootleggers will even feel the two-edged sword of the new order of things, for once the Pharmacopoeia provides standards for which it can hold that law-breaker for a double crime for when he sells violation still for which he is not only punishable to prosecution under the prohibition statutes, but also under the Pure Food and Drug Act."

**Marrying 'Squire Deplores Bobbed Hair**

By United Press.  
KINTON, N. C., July 8.—Bobbed hair meets with detestation from Kenneth Foscoe, marrying squire here, who has in his mind the wedding of over 2,000 couples.

"It is terrible!" said the magistrate. "The hairpin industry is going to the devil. Hairpins are being driven out of the market. What are we going to do about picking out walnut meats and meeting an emergency when we bust our galluses?"

Justice Foscoe loosened his collar and shook a warning finger. "I've seen lots of things in my life, but this monkey-business is something I never expected. If something isn't done men will be wearing petticoats and glass bracelets in the next generation."

A Mother's Book.

One Mother Says:

I did not wish to choose all my boy's books as he would resent not being left any choice in the matter of reading, but when I discovered that he was devouring too many wild romances I made a bargain with him that for every book he read of his own choosing he was to read one of mine. I chose my books with extreme care, selecting from the best literature, yet taking care that the stories were interesting. In a short time he was asking me to choose more books and now a quiet content for me to do all the selecting because my books were more interesting than his.

## FLAPPER OF 14 SLAYS BROTHER.

ANNA DOBATE.

John Boher, a 15-year-old Yonkers, N. Y., boy, was deeply religious. He strangled his father. When he daily took down his Bible to find that salvation held up to him by the priest of the little Russian Orthodox Church he attended. His sister Anna is only 14. When the boy saw her in cheap silk dresses, with silk stockings and with her hair deeply curled, he thought it the worst of damnation. She even spent 15 cents for a magazine that displayed on its cover a bare-chested girl. He tore it from her as "an instrument of the devil." The poor Russian mother could not patch up the quarrel. The girl was cutting a load of bread when the brother repeated she was "bad" and that some day he would have to kill her. She thrust the bread knife through his heart.

## Coolidge Ideas of Simplicity are to Prevail in Funeral

Continued from Page One.

was not as President and first lady of the land that they mourned but as father and mother and they wished to be alone.

Doctors said Calvin, Jr., lived longer than they had thought possible, sustained by his own courage when all gave up hope.

There will be no official mourning. It is the President's wish. Today orders were issued that the flags were not to be at half-mast in Washington, as has always been the custom when death visited the White House. Government departments will not be closed. Mr. Coolidge dislikes the pomp of state funerals. The funeral will be in his home against the "show" of public grief, and so he has decreed that "business will go on."

WASHINGTON, July 8.—Calvin Coolidge, Jr., was a typical American boy, mischievous and full of vigor, but in public almost quiet and demure. He always was the first with a hearty laugh, however, at the slightest provocation.

"He has a remarkably easy disposition for a boy," a close friend of the family remarked recently, "but make no mind about it, he's all boy."

Calvin was born April 18, 1895, at Northampton, Mass., and went through the grade schools of that city and then entered the high school, completing the first year after his father had come to Washington, as vice-president in 1921. Both he and his brother, John, who is 17 years old, the next year entered Mercersburg Academy at Mercersburg, Pa., John being graduated last month while Calvin had another year before him. John is to enter Amherst, President's alma mater, this fall, and Calvin was to have followed him.

An excellent student, usually ranking high in his class, Calvin was a bright and cheerful, but not a "trammer" in the schoolboy sense of student. He also was a good debater and had been for the academy debating team. He was interested in athletics, but his slight build kept him from making any records along that line, although he was an enthusiastic tennis and baseball player.

### Capstan Turns in 16th Straight by Defeating Strong Revere Outfit

Alexander Pitches 19th  
Consecutive Victory of the  
Season.

#### TWO CIRCUIT HITS IN ROW

"Alex the Great" came on the scene again when he chalked his 19th consecutive victory of the year last evening when the Capstan Independents nosed out the hard-hitting combination last evening at South Connelleville by a 4 to 2 score. Timely hitting by the glass blowers helped in the Binghamville 16th straight victory and the 21st of the year against two opponents and one the game. With the score tied in the last of the eighth, Dushaw and G. Clawson awaited out consecutive homers, the balls sailing over the centerfielder's head. The drives were the longest ever made on the grounds. Close to 1,000 fans witnessed the game.

Pep Francis started the ball rolling for Capstan in the initial frame when he got a free ticket. Ralston's sacrifice bunt sent him to second. When Dushaw fled to Paul, Pep "beat it" to third. Paul dropped G. Clawson's high fly and Pep tallied. E. Clawson opened the fifth frame with a double and was advanced to third on Moorman's single. Clawson tallied when Pep Francis sent a hot single to center.

Revere had blood in its eyes when it went to bat in the sixth. With one out Swartzelder singled and advanced by Harshman's hard drive to center. Frasier forced Harshman on second and on Paul's sacrifice fly to the outfield Swartzelder tallied. With Revere's first. The other out was easy. Harshman singled in the seventh and advanced to third on Frasier's single. Paul sent out his second sacrifice fly and Harshman tallied. Revere's second and final tally.

In the last of the eighth with the score tied, Dushaw sent a hard drive over Paul's head and easily trotted around the bases. G. Clawson following, accumulated Dushaw's drive, sending it to the same spot. That was the end of the scorers.

"Jimmy" Davis was "knocked cold" in the eighth inning, when in an attempt to catch a foul fly, the ball hit a plank above his head and bounded into his face, hitting the corner of his eye. "Jimmy" "shook" it off and finished the game. He was cheered by the fans when he resumed his position back of the stick.

With "Rube" Alexander on the mound, Capstan's confidence was very strong and his teammates fought like demons to keep Rube's winning streak moving. With two stars on the Capstan team, the glass blowers have a nifty pitching staff. Moorman is a strong competitor for the smokes from the fair daisies at South Connelleville. "Alex, the Great" put his strike-out record over the 200 mark.

With seven to his credit in the game, his strike-out record stood at 203, for the 20 games that he pitched. Averaging 10 strikeouts per game is no snap, and Rube's record is remarkable.

This evening the glass blowers will play at Fairbairn. Moorman will draw the assignment. Stewart will play at South Connelleville Thursday evening at 5 o'clock. Saturday, the Divada Independents are scheduled to appear.

The score:

Jimmie Crabbe, Pro

#### DIVADA TEAM WHITEWASHED BY OLIPHANT

The Divada Independents continued its downward slide when, last evening, the fast and hard hitting Oliphant outfit slammed a 7 to 0 whitewash into Youth Valley's face at the Dickerson Run grounds. "Bill" Addie worked on the mound for the tri-townners, but the support accorded him was off color. Approximately 10 errors were made by the Divadas. Oliphant got two homers, one coming in the first frame.

This was the third straight defeat for the Divada team. Another player

turned in his uniform last evening, with several more planning to do the same. It was stated "This week will decide the fate of the club."

#### Vandergrift at Scottsdale for Game Wednesday

SCOTTSDALE, July 3.—At Scottsdale on Wednesday, the game starting at 5:15 P. M., Vandergrift will make its second appearance at Athletic Park. Scottsdale won the first game of the series, 6 to 0, one of the best victories in semi-pro ranks. Will again be on the mound for Vandergrift, with Lane, the ex-Cleveland American, in right field.

Logs, the new pitcher obtained from Nash Specials, Greensburg, will likely do the hurling for the Independents. Buck Perlman will occupy the right field. Buck is also a Nash product. Pep Kilday, the ex-Comsumer, will be in middle field.

Scottsdale is going at a fast clip, knocking off Homestead Grays, Homewood Tressers, Switzvale, and Bellevue within the last week.

### At the Theatres

#### The Paramount

"MOTHERS-IN-LAW" The leading attraction today at the Paramount is one of the best pictures shown at this theatre in months.

When the director started out to make his production, "Mothers-in-Law," he determined to make the hall room episode called for in the story by Frank Dacey and Agnes Christine Johnson, a distinct novelty. To this end he and his scenic artist, Gordon Pollock, designed and supervised the building of a spacious set to serve as the background for a Burmese costume ball. Massive metal pillars and stairways contrast against luxurious dark red velvet hangings and the rich color in an initial floor.

Hundreds of extras, arrayed in striking oriental costumes were engaged for this sequence in the story. Conspicuous among the gorgeous gowns of many fantastic designs to be seen on this set is the cloth of gold costume and head-dress worn by Ruth Clifford, the beautiful blonde actress whose first work with Director Gansler was in "Daughters of the Rich."

"Mothers-in-Law" has assembled into one production some of the outstanding beauties of the screen world including in addition to Miss Clifford, Voile Vale, Marie Curtis and Doris Stone.

Wednesday and Thursday, Richard Talmadge will be seen in "On Time."

#### The Soisson

"WHY GET MARRIED"—On view today and tomorrow at the Soisson provides splendid entertainment.

Janet Allen was happily married to her husband, and she loved him and affection. Then the latter began to take greater interest in his ambition to climb to the top of the ladder of business success. He took "Miss Herring," a "go-getter" in the John Strong importing office, as a shining example of how to rise in commercial life and he had to lunch with her to close some business deals.

Jealousy took hold of Janet's heart and when she got an anonymous letter, telling her husband was running around with other women, she took the baby and quit her husband in a hurry. Then came a reconciliation when the husband explained the true status of conditions. This is one of the romantic titles of "Why Get Married?" a big film that has Andree Lafayette and Jack Perrin playing the leading roles. Helen Ferguson plays Janet Allen and Max Constant is the husband. Greater interest in the theme lies between the characters of Jack and Marcia, Walworth played by Perrin and Lafayette respectively. The decision of Marcia to pursue business ambitions and separate from her husband would have gone well and wisely had not the unexpected happened. But see "Why Get Married?" for the surprise and thrilling finale.

Thursday, Friday and Saturday, Reginald Denny will be seen in "Sporting Youth."

#### The Orpheum

"TRY NOME IS WOMAN" based on Benjamin Glazer's American version of Karl Schoenherr's play, is featured today and tomorrow at the Orpheum. The cast includes Ramon Novarro, Barbara Lamar, Robert Edison, William V. Moon, Wallace MacDonald, Claire McDowell and Edith Roberts. Neil Jack, chief electrician for the Fred Niblo company, installed a novel studio arrangement for filming scenes for "Try Nome Is Woman." The outfit consisted of a portable radio transmitter and receiver which established communication between the office and the location where the scenes were being filmed.

A street set, on a California lot some distance away, was erected under the direction of Charles Stallings. Mr. Niblo's production manager, and Mr. Jack handled the portable radio apparatus so that Mr. Stallings was able to get in direct touch with the office or the stage without troubling to go or send some one to deliver his messages and without bothering to have an inter-communication system of phones installed.

Thursday, Friday and Saturday John Gilbert will be seen in "The Wolf Man."

So with a New Jersey druggist who sells thousands of bottles of a wonderful elixir that puts dyspepsia, gastritis and all stomach agony out of business, so quickly that even those who have had chronic indigestion for years are astonished.

What this druggist really means is that anyone who keeps on suffering with any stomach trouble when Dore's Mentha Pepsin can easily be obtained at any druggist anywhere is not wise.

## WOMEN OF MIDDLE AGE

Read How Mrs. Wabbe Was Helped by Taking Lydia E. Pinkham's Vegetable Compound

Mannington, West Virginia.—"I took the 'Vegetable Compound' when having the turn of life. I had been sick for seven years. I would get up in the morning, then I broke down again. It would be hard for me to describe how I was for I was a perfect wreck. I suffered with a pain in my left side, then I would have numb spells and I would think I couldn't live. I would have hot flashes, then would come weak spells. I was so weak I would think I couldn't ever get a meal ready. My work was a burden to me. I was not able to do my housework half of the time. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. It has given me strength and health. The hot flashes left me and I got better of the numb spells. That summer I could do my housework and worked in the garden a good bit. I tell all sick women what your wonderful medicine did for me, and will always recommend it. I was born in Marion County and still live in it. I am known to all my neighbors, and you can publish this statement because it is true."

—Mrs. JOHN W. WALTON, R. No. 1, Box 26, Mannington, West Virginia.

## Magic Health Car Crosses Kansas Luring Mothers and Children with Exhibit Under State Auspices

Health is exciting in Kansas. When the "Warren" comes into town with No. 1 eastbound and is parked on a siding for a day, the school children from miles around rush to the railroad station as if it were the circus train, instead of just a single converted Pullman fitted up with displays and exhibits on the grown-up subject of health.

The "Warren" has been repaired and renovated to go forth and span for this year's spring tour through the state. New exhibits, posters, medical apparatus for clinics and new health appliances have been installed in this famous Kansas "health school on wheels," which is making its seventh annual tour.

The car is well advertised ahead but now and then dimes get mixed and it rolls into a town unheralded.

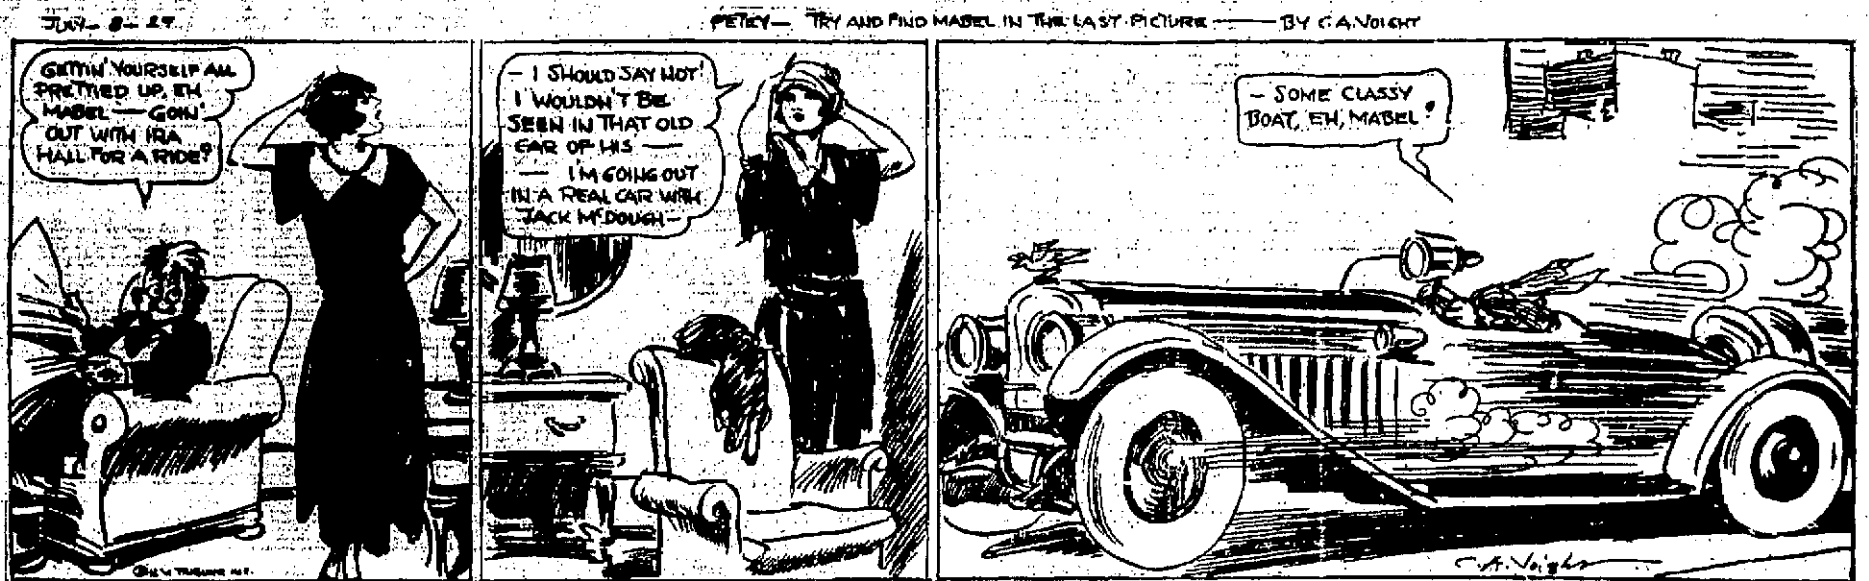

In one such community the ten-year-old son of the mayor discovered the presence of the strange visitor Saturday noon. Seeking his bicycle, he started out like a modern Paul Revere to arouse "every Middlesex village and farm." Not only did he stir the population to the marvel that was in their midst unknown, but he taxed down on Kansas his handiwork sixteen young white shoes of the age of three or thereabouts and personally supervised

their weighing in to see if they were undernourished. As a result of his efforts the car had very close to one hundred per cent attendance from the community.

Two women members of the Kansas State Board of Health travel with the car. They supervise clinics give advice in regard to health problems, show health movies and distribute health literature supplied by the state board and through the Metropolitan Life Insurance Company. Mrs. Ruess Burr has for years watched over

the personal and social hygiene of Kansas high school girls and Miss Lillian Fitzpatrick is the expert on child hygiene.

The car presents its message largely through means of visual education, carrying exhibits such as are not often seen by people outside circles of specialists. The usual procedure is for the school children to visit the car by classes or departments during the noon-hour and the mothers bring the tiny youngsters of pre-school age during the afternoon.
